

fair trader Education offer for schools

Suitable for Key Stages 1 - 3

Fair Trader is a community cooperative owned by over 500 members who want to make a difference to the lives of communities around the world and to our world too.

In supporting schools our objectives are to:

- Provide Head Teachers, teachers & support staff with local, regional and national updates on fair trade & Fairtrade products
- Share and disseminate good practice from local, regional and other schools in the UK
- Support teachers to inspire children & young people to learn about fair trade
- Provide support & advice for schools who wish to become a Fairtrade School
- Provide the opportunity for teachers & support staff to network, feel supported and share ideas
- Develop resources which will help to make learning about fair trade interactive and fun
